Notification to All Shareholders

8<sup>th</sup> April 2013

**Business Development**

**PL-231 REIDS DOME : BOWEN BASIN. CENTRAL QUEENSLAND, AUSTRALIA.**

Dome is pleased to announce that the re-structuring of PL-231 has been agreed in principle. Senex Energy Ltd are withdrawing from the Petroleum Lease. Triangle Energy (Global) Ltd is retaining their interest in the Petroleum Lease. The ultimate holding parties within PL-231, Reid's Dome will be as follows:

**Dome Petroleum Resources Plc; 40%. Triangle Energy (Global) Ltd; 20%.  
Wharf Resources Plc; 40%.**

It has been agreed that Triangle will be free carried on the project costs for the shallow gas by Dome and Wharf as part of the development program of PL-231.

A later development plan inclusive of the power station and proposed phased later field development and an updated Environmental Plan and Authority has been prepared by Dome for the Department of Natural Resources and Mines in Queensland, Australia. The design of the plant will be provided to the JV partners by Dome at no costs to the JV.

Triangle Energy (Global) Ltd, Wharf Resources Plc and Dome are presently discussing the project detail. Further announcements will be made.
