ASSOCIATED LAWYERS SALERNO

To the Central Authorities - Attorney General Department
Section of International Law Australian Government Barton Act 2600 Australia

APPEAL FOR CONSERVATIVE SEQUEST

For: DOME PETROELUM RESOURCES PLC in the persons of administrators of
DENANTES Bruno, GOODRICH Mike, GARRET Terry, OWEN John, STEELE Ivan.

Given that

A) ON THE FUMUS BONI IURIS

By reason of the international fraud report filed against STATE GAS LIMITED and in the persons of SNELLING Directors Lucy and BAYNTON Greg, who are indebted for the total sum of € 3 million, despite repeated attempts to find a peaceful solution to carry out the business created by mutual agreement, STATE GAS LIMITED in the persons of the Directors, have, in defiance of the most elementary rules of correctness and good faith, stole the sums destined for the development of the common business.

B) ON THE PERICULUM IN MORA

In light of the foregoing, the interest of today's plaintiffs in asking the Australian Authorities to seize all the assets owned by the company STATE GAS LIMITED, a seizure aimed at protecting the credit claimed by DOME PETROELUM RESOURCES PLC and as reported in the out-of-court notice already notified to the SNELLING director.
